S. RES. 366

Whereas Mexico will inaugurate a new government on 1 December 2000 that will be the first change of authority from one party to another;

Whereas the 2nd July election of Vincente Fox Quesada of the Alliance for Change marks an historic transition of power in open and fair elections;

Whereas Mexico and the United States share a 2,000 mile border, Mexico is the United States' second largest trading partner, and the two countries share historic and cultural ties;

Whereas drug production and trafficking are a threat to the national interests and the well-being of the citizens of both countries;

Whereas U.S.-Mexican cooperation on drugs is a cornerstone for policy for both countries in developing effective programs to stop drug use, drug production, and drug trafficking; Now, therefore, be it

Resolved,

(a) The Senate, on behalf of the people of the United States

(1) welcomes the constitutional transition of power in Mexico;

(2) congratulates the people of Mexico and their elected representatives for this historic change;

(3) expresses its intent to continue to work cooperatively with Mexican authorities to

promote broad and effective efforts for the health and welfare of U.S. and Mexican citizens endangered by international drug trafficking, use, and production.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the incoming new governments in both Mexico and the United States must develop and implement a counterdrug program that more effectively addresses the official corruption, the increase in drug traffic, and the lawlessness that has resulted from illegal drug trafficking, and that a one-year waiver of the requirement that the President certify Mexico is warranted to permit both new governments time to do so.
